Additional Comments (Specify addiction, insurance coverage, other mental health diagnoses):

Please note: For patient safety and effective care provision, Think Recovery DOES NOT accept patients with acute safety concerns, active suicidality, active psychotic disorders, or active mania. Think Recovery only provides virtual mental health services at this time for adults (age 18+). Medication prescriptions are not provided through this clinic, solely virtual therapy services are provided by licensed professionals.
 * Denotes a cost associated with this specific service, see website for details.
